**ANALYSIS AND ACTION TAKEN OF FEEDBACK FROM STAKEHOLDERS 2016-17**  
**ACTIONS TAKEN BASED ON ALUMNI, TEACHERS AND PARENTS FEEDBACK**

S.No	Indicators not satisfactory for the respondents	Actions taken
1	The syllabus was need based; Emphasis on fundamentals, coverage of modern/ Advanced topics, good balance between theory and application.	Department conducted meeting with alumni and subject experts. Based on the comments from them the required revision of syllabus has been done. The quality of the existing courses have been updated by introducing new subjects
2	The books prescribed/listed as reference Materials are relevant, updated and appropriate.	It has been ensured that the reference books are more relevant and appropriate. Department library is well equipped by purchasing relevant books
3	Laboratory facilities to be improved	Laboratories are well equipped as per the new curriculum.
4	The course/programme of studies carries sufficient number of optional papers.	More number of electives with practical sessions have been offered in the revised curriculum
5	Freedom to adopt new techniques/strategies of teaching	Concepts explained by visiting industries. Lab components in theory course have been included.
6	Freedoms to propose, modify, suggest and incorporate new topics in the syllabus.	Relevant new topics have been included in the revised syllabus.
