

Division of Structural Engineering,
Department of Civil Engineering

Programme: M.E.Construction Engineering and Management

Action Taken Report in 'Curriculum and Syllabus R2015'

S. No.	Action Taken in 'Curriculum and Syllabus 2015'
1.	Latest softwares are installed in computer lab, based upon this exposure few students they got their job in construction engineering firms like JLL and Afcons Infrastructure limited.
2.	Decrease of number of days lead to 100% commitment to the students to achieve their required and assigned task within the period of 15 days.
3.	This leads to increase in teaching hours, students understood the concepts and methods very effectively, and relatively reduced the number of failures in the subject.

Signature of the Faculty in-charge

Dr. V. PONNALAR, M.E., Ph.D.,
Associate Professor
Division of Structural Engineering
Department of Civil Engineering
Anna University, Chennai - 600 025.
