Dr.B Madhan in his presentation covered the agenda items; detailed discussions and committee's recommendations for each agenda item is presented hereunder.

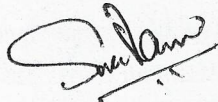

DEPARTMENT OF LEATHER TECHNOLOGY, A.C. TECH.

ANNA UNIVERSITY, CHENNAI

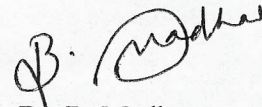

Minutes of Departmental Consultative Committee Meeting

1. The revised Course Outcomes (CO) and course articulation matrix of all the core theory and laboratory courses for Regulation -2019 were discussed and finalised. Further time distribution for some of the subjects was revised to meet the requirement. The revised curriculum and syllabus for B.Tech (Leather Technology) R2019 approved by the DCC is enclosed as an Annexure I.
2. The Open Elective (OE) Courses to be offered to other Departments during Odd and Even Semester were reviewed and the courses were finalised and enclosed as Annexures II and III respectively.
3. DCC recommended continuation of B.Tech. Leather Technology – Part Time programme as and when adequate number of students' registration happens for an academic year.
