The following points were discussed and decision taken

**1. Recent action taken by Centre For Research**

- a. The committee agreed on the fact that, Centre for Research, with the approval of the Research Board held on 26<sup>th</sup> of May 2016, has excluded a few Journals from the Updated list of Journals 2016 (Ref-1), citing, poor quality of those Journals, one of which is the "International Journal of Intelligent Information Technologies (IJIIT)", published by IGI Global, with ISSN: 15483657, Serial No. 5062 (Updated List Feb 2016), which came as a setback to the efforts of the research scholars of Dept. of CSE, as extended versions of a few selected articles of COMSE 2015 (International Conference on Computational Methods & Software Engineering, organized by DCSE during 28-30, Dec, 2015) proceedings, are due for publication in this Journal, and promises by the recently held National Conference on Intelligent Systems and Communication (NCISC-2016) are at stake.

## 2. Fact finding and Decision by the committee

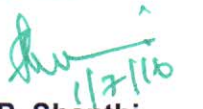

- a. The committee then focused on the Quality aspects of the IJIT Journal and verified with the facts and perused on the representation given by research scholars and faculty of both DCSE and DIST (Ref: -2).
- b. The committee agreed that, the action taken by Centre for Research was in a haste, and ignored factual information.
- c. The Quality of the journal was ascertained by the committee and it was decided that, IJIT Journal qualifies to be included in the Updated list of Journals 2016.
- d. The committee strongly recommended that the decision of removal of this Journal may be revoked at the earliest, keeping in view of the progress and efforts of research scholars and faculty, as well as reputation of DCSE.
- e. The committee also suggested that, inclusion or exclusion of Journals from the list shall be done with utmost caution and only after thorough perusal of factual information.
