Program Educational Objectives (PEOs) of B.E CSE programme

The Program Educational Objectives (PEOs) of B.E CSE programme was presented, discussed and approved. The following are the Program Educational Objectives (PEOs) of B.E CSE programme approved at the meeting.

Program Educational Objectives (PEOs):

The objectives of B.E CSE programme can be broadly defined on three counts:

- To comprehend the fundamental concepts in Computer Science and Engineering and apply the interaction between theory and practice for problem solving.
- To critically analyze current systems and trends, and to develop innovative solutions that cater to the dynamic nature of the computer industry, and lead to entrepreneurial initiatives.
- To pursue lifelong multidisciplinary learning as professional engineers, researchers and scientists and effectively communicate technical information, function effectively on teams, and apply computer engineering solutions within a global, societal, and environmental context.
