The Department Consultative Committee (DCC) Meeting was held on **28.10.2020 (Wednesday) @ 10.30 A.M.** in the Department of Computer Science and Engineering. The agenda for the meeting is to approve the disposal of damaged workbenches and other items in the second floor annex lab as scrap.

The workbenches of second floor annex lab were **sponsored** by Pentafour Communications for their **AU-Pentasoftware Lab** from 2000 to 2005. Afterwards it was used by the Department Project groups. Since, the workbenches, power distribution and network cabling are damaged, due to wear and tear, it has been decided to dispose them as scrap because there is no stock entry for these items.
