

**MINUTES OF THE DEPARTMENTAL CONSULTATIVE COMMITTEE MEETING OF THE DEPARTMENT OF MEDIA SCIENCES, CEG CAMPUS, ANNA UNIVERSITY, HELD AT 10.30 A.M. ON 21.05.2020.**

It was resolved to propose a minimal change required in the M.Sc. (Electronic Media) (5 years Integrated) R-2019 curriculum to balance taught semesters at the UG (first three years) and PG (final two years) levels. Semester VII (Industrial Project) is proposed to be moved to Semester VI, and vice versa, as shown in the Table.

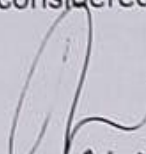

| Present Order of Curriculum |              |                           | Proposed Order of Curriculum |              |                           |
|-----------------------------|--------------|---------------------------|------------------------------|--------------|---------------------------|
| Semester                    | Subject Code | Subject Name              | Semester                     | Subject Code | Subject Name              |
| VI                          | XM 5601      | e-Learning                | VI                           | XM 5701      | Industrial Project        |
|                             | XM 5602      | Media Laws and Ethics     |                              |              |                           |
|                             | XM 5603      | Digital Marketing         |                              |              |                           |
|                             | XM 5604      | Web Development           |                              |              |                           |
|                             |              | Professional Elective - I |                              |              |                           |
|                             |              | Audit Courses - I         |                              |              |                           |
|                             | XM 5611      | e-Learning Lab            |                              |              |                           |
|                             | XM 5612      | Short Film Production Lab |                              |              |                           |
|                             | XM 5613      | Web Development Lab       |                              |              |                           |
| VII                         | XM 5701      | Industrial Project        | VII                          | XM 5601      | e-Learning                |
|                             |              |                           |                              | XM 5602      | Media Laws and Ethics     |
|                             |              |                           |                              | XM 5603      | Digital Marketing         |
|                             |              |                           |                              | XM 5604      | Web Development           |
|                             |              |                           |                              |              | Professional Elective - I |
|                             |              |                           |                              |              | Audit Courses - I         |
|                             |              |                           |                              | XM 5611      | e-Learning Lab            |
|                             |              |                           |                              | XM 5612      | Short Film Production Lab |
|                             |              |                           |                              | XM 5613      | Web Development Lab       |

The proposed change advances the 'Industrial Project' semester by one semester. Students who are into Regulations-2019 are only in the first year now, and the proposed change is from the third year, and hence, the change is considered feasible.
